

BUSINESS PRESS RELEASE

Louis R. Cabana joins Goldman Collins Associates

Hebron, NH, January 5, 2012, Goldman Collins Associates LLC of Hebron, NH has welcomed Louis R. Cabana as a Senior Associate. Lou is an internationally experienced executive whose business expertise spans marketing, business development, operations (supply chain) and program management. Prior to joining Goldman-Collins Associates, Lou was vice president of marketing and business development, as well as acting CEO for Xhale Diagnostics, an early stage medical device diagnostic company. Before this, Lou was a Sr. Consultant with AlvaMed, where he assisted companies such as Wyeth, P&G, and Johnson and Johnson in the areas of product commercialization, acquisition evaluation, and business development. With over seven years of international experience with companies such as Alere and Johnson and Johnson, Lou is as comfortable in Beijing or Singapore as he is in the USA. Prior to this, he spent 15 years at Polaroid, in a variety of executive assignments. Distinguished by using process excellence tools such as Voice of the Customer and Value Stream Mapping, Lou provides both strategic and tactical leadership in the solution of business challenges.

Goldman Collins Associates provide consulting leadership in the areas of mergers and acquisitions, domestic and international business expansions, marketing, product and business startups, corporate turnarounds and program/project management, business development, manufacturing improvements and interim management. Goldman Collins Associates LLC was formed in 1999 and is based in Hebron, NH.
